*Images printed on instruction sheets may have certain differences in color level, shape, size and patterns to the actual objects. *Miniature parts may have color unevenness and bumpy surface due to antique finishing. * For materials in this kit, their colors, shapes, sizes and pattern may vary, due to manufacturing process. Natural wooden plates are naturally generated, their colors and wood grain will not be identical. * The wooden plate may be warped slightly because of the excessive humidity.

TIP 1

An artificial flowers may come off depending on the spot where you attach before the craft bond glue dries.

<Hot to prevent>

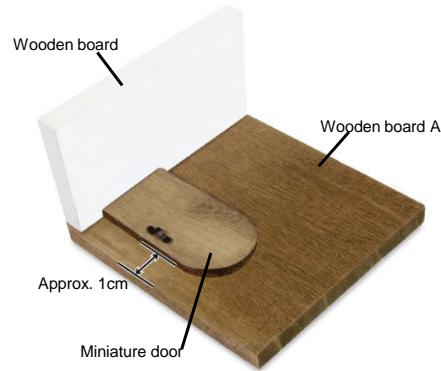

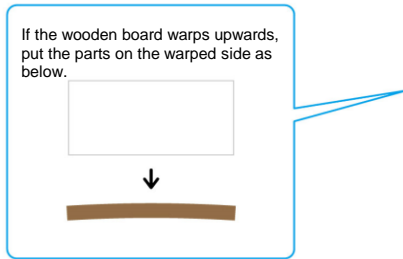

Temporarily paste them with scotch tape until the craft bond glue dries.

Scotch tape

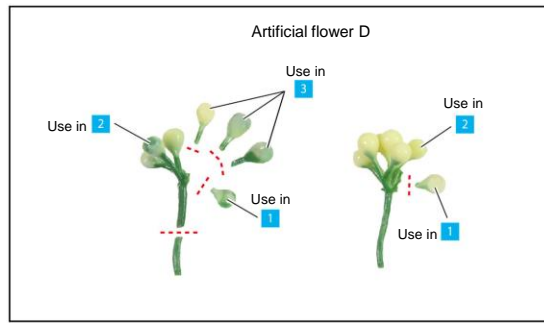

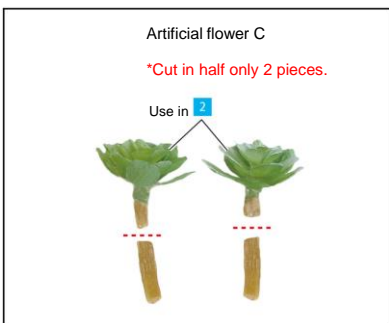

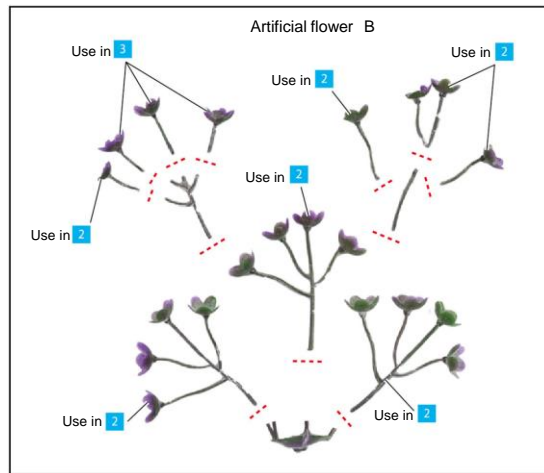

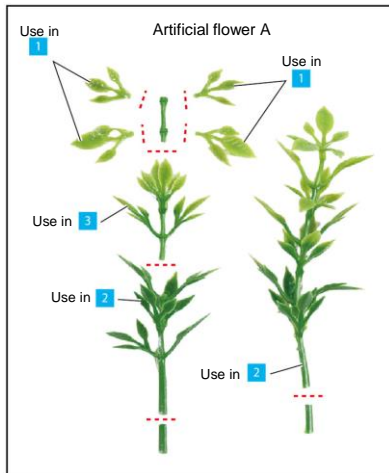

1 Lay down wooden board A and attach parts together as shown in the picture below with craft bond glue to create a base.

*Go on to **3** after the glue dries up.

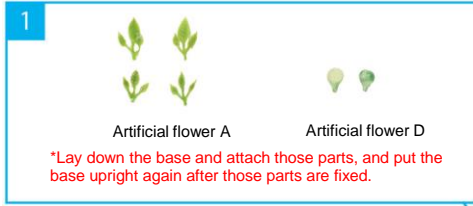

2 Cut apart at --- as below.

3 Attach each part to the base as Example of completed design.

- * Attach the parts (shown in **1**) first, and the following process will go more smooth.
- * Cut the artificial flowers at the appropriate length depending on the spot you would like to attach.
- * Apply the craft bond glue to the sticker before you paste it to the wooden board, which prevents being come off.

TIP 1

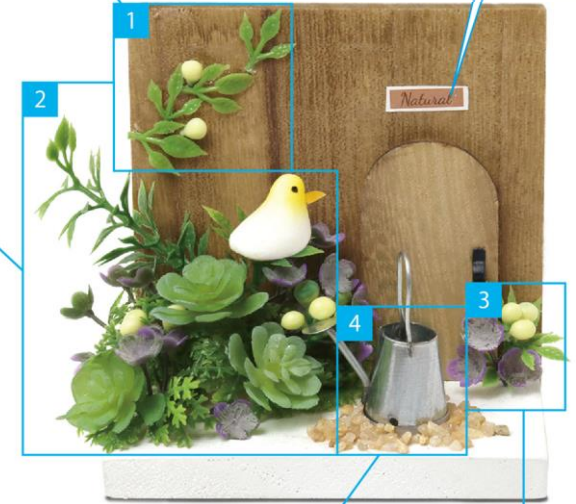

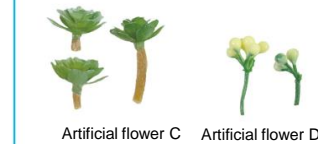

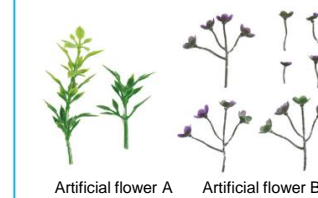

Cut out the sticker with the margins approx.0.5~1mm.
Approx.0.5~1mm.
