Instruction sheets 2 pages

*Images printed on instruction sheets may have certain differences in color level, shape, size and patterns to the actual objects. *Miniature parts may have color unevenness and bumpy surface due to antique finishing. * For materials in this kit, their colors, shapes, sizes and pattern may vary, due to manufacturing process. Natural wooden plates are naturally generated, their colors and wood grain will not be identical. * The wooden plate may be warped slightly because of the excessive humidity.

TIP 1

An artificial flowers may come off depending on the spot where you attach before the craft bond glue dries.

Scotch tape

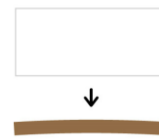

<Hot to prevent>
Temporarily paste them with scotch tape until the craft bond glue dries.

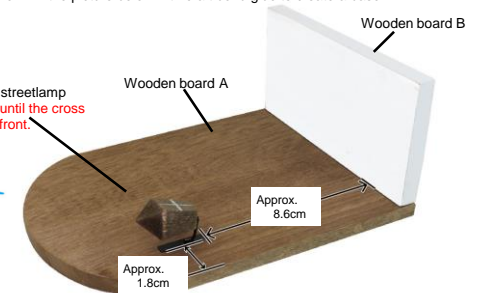

1 Lay down wooden board A and attach parts together as shown in the picture below with craft bond glue to create a base.

*Go on to 3 after the glue dries up.

If the wooden board warps upward, put the parts together as below.

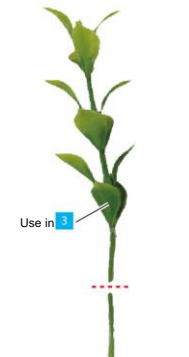

Miniature streetlamp
*Rotate it until the cross faces the front.

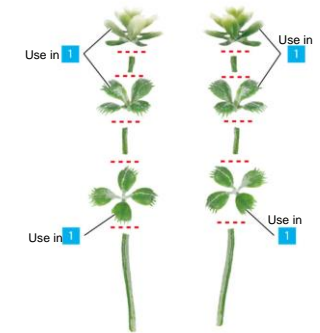

2 Cut apart at --- as below.

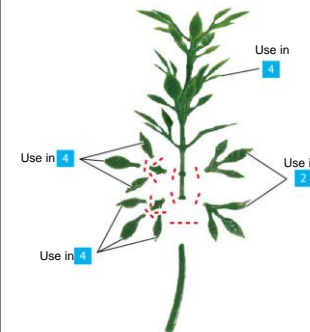

Artificial flower A
*Cut the stem only one piece.

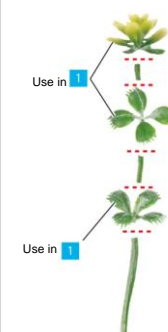

Artificial flower C

Artificial flower D

Artificial flower F

3 Attach each part to the base as Example of completed design.

- * Attach the parts (shown in 1 2) first, and the following process will go more smooth.
- * Cut the artificial flowers at the appropriate length depending on the spot you would like to attach.
- * Apply the craft bond glue to the sticker before you paste it to the wooden board, which prevents being come off.

Example of completed design

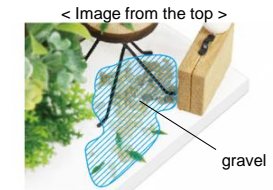

All the parts other than the artificial flowers used in 2 are used as it is. Feel free to make an arrangement

- 2 Insert the tip of the toothpick to the center of a cork approx.5mm to make a hole. Apply the craft bond glue to the root of the artificial flower D and insert them to the hole on the cork.

*Lay down the base and attach those parts, and put the base upright again after those parts are fixed.

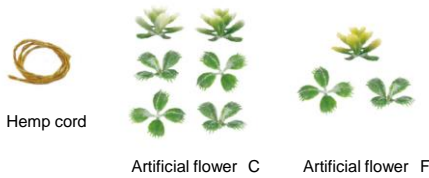

- 4 Place the Miniature table on the base with the craft bond glue. Apply the glue to [sticker] and arrange the gravel on it. Paste the sticker on the bottle. Insert the artificial flower D into the bottle with the glue. Place the bottle, artificial flowers, suitcase and bird with the glue onto the base.

Cut out the Sticker with the margins approx.0.5~1mm. Approx.0.5~1mm.

- 1 Create a circle with the hemp cord approx. Φ4cm. Paste it to the wooden board A with the craft bond glue. Attach the artificial flowers to the hemp code with the craft bond glue.

*Lay down the base and attach those parts, and put the base upright again after those parts are fixed.
