How to make

★ Enjoy arranging it yourself.

This craft bond is not used.
Please enjoy arranging with
double adhesive tape!

Paste jushi deco on the sunglasses with the double adhesive tape wherever you like.

* Cut the adhesive stickers into small pieces.

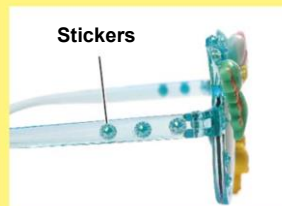

Paste jushi deco first with the double adhesive tape, and decorate the sunglasses with stickers.

Cut the stickers into whatever size you like.

* Please paste stickers with the craft bond if they are took off.

Arrange temples with stickers!!
